

RBS and RUS, USDA

§ 4284.629

(1) Financial strength will be analyzed by the Agency based on financial data provided in the application. The analysis will consider the applicant's tangible net worth, which must be positive, and whether the applicant has dependable sources of revenue or a successful history of raising revenue sufficient to meet cash requirements.

(2) Expertise will be analyzed by the Agency based on the applicant staff's training and experience in activities similar to those proposed in the application and, if consultants will be used, on the staff's experience in choosing and supervising consultants.

(c) Any delinquent debt to the Federal Government shall cause the applicant to be ineligible to receive any RBOG funds until the debt has been paid.

§ 4284.621 Eligible grant purposes.

(a) Grant funds may be used to assist in the economic development of rural areas by providing technical assistance for business development and economic development planning. Grant funds may be used for, but are not limited to, the following purposes:

(1) Identify and analyze business opportunities that will use local rural materials or human resources. This includes opportunities in export markets, as well as feasibility and business plan studies.

(2) Identify, train, and provide technical assistance to existing or prospective rural entrepreneurs and managers;

(3) Establish business support centers and otherwise assist in the creation of new rural businesses;

(4) Conduct local community or multi-county economic development planning;

(5) Establish centers for training, technology, and trade that will provide training to rural businesses in the utilization of interactive communications technologies to develop international trade opportunities and markets;

(6) Conduct leadership development training of existing or prospective rural entrepreneurs and managers; or

(7) Pay reasonable fees and charges for professional services necessary to conduct the technical assistance, training, or planning functions.

(b) Grants may be made only when there is a reasonable prospect that the project will result in the economic development of a rural area.

(c) Grants may be made only when the proposal includes a basis for determining the success or failure of the project and individual major elements of the project and outlines procedures that will be taken to assess the project's impact at its conclusion.

(d) Grants may be made only when the proposed project is consistent with local and area-wide strategic plans for community and economic development, coordinated with other economic development activities in the project area and consistent with any USDA Rural Development State Strategic Plan.

(e) A grant may be considered for the amount needed to assist with the completion of a proposed project, provided that the project can reasonably be expected to be completed within 2 full years after it is begun. If grant funds are requested to establish or assist with an activity of more than 2 years duration, the amount of a grant approved in any fiscal year will be limited to the amount needed to assist with no more than 1 full year of operation. Subsequent grant requests may be considered in subsequent years, if needed to continue the operation, but funding for 1 year provides no assurance of additional funding in subsequent years.

§§ 4284.622–4287.628 [Reserved]

§ 4284.629 Ineligible grant purposes.

Grant funds may not be used to:

(a) Duplicate current services or replace or substitute support previously provided. If the current service is inadequate, however, grant funds may be used to expand the level of effort or services beyond what is currently being provided;

(b) Pay costs of preparing the application package for funding under this program;

(c) Pay costs of the project incurred prior to the effective date of the grant made under this subpart;

(d) Fund political activities;

(e) Pay for assistance to any private business enterprise which does not
